About Us: *Welcome! Stuart's Fish & Pig is owned by Joan Marshall & Ken Stuart. Forty plus years of combined restaurant experience, Ken's lifelong passion for smoking food and a desire to return to Florida has resulted in Stuart's Fish & Pig.*

We smoke our meat, poultry & fish in house daily and smoke only what we plan to sell each day. Our BBQ menu items are always made from freshly cooked meats. This means we often sell out, and all items may not always be available. BBQ restaurants either sell out or sell leftovers, we choose to sell out.

We searched for locations throughout Florida, one afternoon in Stuart made it clear that this was where we wanted to call home! Welcome to our café. Enjoy!
